Have you ever dreamed of staying on your own private tropical island?

You can now make your dreams become a reality at Isla Kiniw – an island off the coast of Curaçao. Located in the Spanish Waters Bay of Curaçao, the private island offers an exclusive retreat for up to 8 guests.

On the island, a luxury Caribbean-style villa provides all the modern-day services and amenities. Besides the beautiful panoramic view of the tropical waters, the villa has 4 luxurious double bedrooms with ensuite bathrooms, a large living area, a fully equipped kitchen and dining area for a mesmerizing experience of island luxury.

The tropical island has its own private beach, infinity pool, pool bar, sun loungers, and access to a private boat, a putting green, helicopter pad, and various watersport gear. Located only 5 minutes away from the open sea, Isla Kiniw is the perfect spot for diving or deep-sea fishing while the Spanish Waters offer the ideal location for various water sports such as swimming, snorkeling, sailing, and waterskiing.

The private island of Isla Kiniw can be your own hideaway in complete privacy, but it is also possible to complete the luxury experience with personal staff such as a private chef, butler and housekeeping service. There is no place in the Caribbean quite like it.
