# BAOASE CULINARY BEACH RESTAURANT

*Fine-dining with Asian influences and a whiff of Caribbean flavors.*

In the heart of our resort - where the sea brushes the legs of the dinner tables - you find Baoase Culinary Beach Restaurant. Our chef combines his French techniques with a whiff of tropical influences and Asian flavors. Add tremendous ambition, and beach-proof dishes become something more. Fresher. Refined. But still with a sandals-and-sundress-attitude.

Our chef ingeniously combines ingredients to make them shine through simplicity. The beachfront location offers a beautiful backdrop for breakfast, lunch, dinner or just a perfect ending to the day with cocktails. The restaurant was voted Curacao's Best Hotel Restaurant by the World Culinary Awards in 2023.
