*The best way to explore the island?
On your own terms!*

Many of our guests love soaking in the peace and privacy of Baoase, but if you're craving a little adventure, renting a car is the perfect way to discover Curaçao's hidden corners, at your own pace.

RENTING A CAR

At Baoase, we make exploring the island as effortless as your stay. Whether you'd like a car ready upon arrival or prefer to arrange one during your visit, our team will take care of everything.

Your vehicle will be delivered directly to the resort and picked up at the end of your rental. There's no need to wait in line just comfort, convenience, and personalized service, complimentary for all Baoase guests.

First time visiting? Skip the airport rental and enjoy our private transfer (USD 70 one way), with a driver waiting outside the arrivals hall.

To reserve your car or private transfer, email us at guestrelations@baoase.com and we'll take care of all the arrangements for you.

DRIVING IN CURAÇAO

Driving around the island is simple and relaxed. You'll be on the right-hand side, and traffic rules are familiar to most travelers from Europe and the US. In towns and residential areas, the speed limit is 45 km/h (28 mph), while main roads and the island's ring road allow for 60 to 80 km/h (37 to 50 mph).

Need a little help getting started? Our Guest Services Team is happy to provide a free island map and share personalized tips, so you can explore with ease and confidence.
